Introduction
Greetings! My name is _______________ (mention name and show ID card where necessary). I am an enumerator from Shelter and settlements Alternatives: Uganda Human Settlements Network (SSA: UHSNET).

Shelter and Settlements Alternatives: Uganda Human Settlement Network (SSA: UHSNET) is a national network organization that brings together different stakeholders in the human settlements sector to more effectively address issues and challenges affecting human settlements in Uganda. SSA: UHSNET is partnering with Housing and Land Rights Network of the Habitat International Coalition (HIC-HLRN) to implement a project titled "Assessing Impacts of Women’s Dispossession from Land and Home."

We are conducting a survey on the condition of women in this area affected by a threatened eviction so as to gather information about potential losses and damage to you including to your wealth, wellbeing, and habitat in case of displacement, or other losses of home or land. It will take us one hour of your time and the information you give will be confidential.

Would you like to take part in this survey?
